## Component Partners

	<p>Amplifiers, Attenuators, Filters, Splitters, Couplers, Switches, TX &amp; RX Tuners. Digital Tunable Filters, Filter Banks, EMI Filter Banks. Surface Mount QFN Packages.</p>	<p><a href="#">Atlantamicro website</a></p>
	<p>RF Coaxial Connectors, Adapters, Attenuators, Cable Assemblies, Terminations, Torque Wrenches, Phase Adjusters.</p>	<p><a href="#">Coaxicom website</a></p>
	<p>Ceramic, Cavity and LC Filters.</p>	<p><a href="#">ComNav Engineering website</a></p>
	<p>RF Coaxial Connectors - Hermetic, Field Replaceable, Blind Mate and Custom Design. Unique RF Cable Assembly Solutions.</p>	<p><a href="#">Dynawave website</a></p>
	<p>Connectors, Adapters, Attenuators, Cable Assemblies, Terminations, Filters. Isolators, Circulators, Terminations.</p>	<p><a href="#">Forstar website</a></p>
	<p>Quartz Crystals, Clock Oscillators, TCXOs, VCTCXOs, VCXOs, OCXOs, GPS Disciplined OCXOs.</p>	<p><a href="#">IQD website</a></p>
	<p>PIN Diode Switches, Limiters, Phase Shifters, Quadrature Couplers, Integrated Microwave Assemblies (IMAs), SSPAs, Sources, Synths, Attenuators, Frequency Translators, Microwave IQ Vector Modulators and Bi-Phase Modulators, Microwave Switches, mmWave Components.</p>	<p><a href="#">KRATOS website</a></p>
	<p>MMIC Components, Active and Passive RF &amp; Microwave Components, Microwave Frequency Converters, Integrated Microwave Assemblies, Signal Sources, Amplifiers. Space Qualification.</p>	<p><a href="#">Mercury website</a></p>
	<p>Pulsed &amp; CW GaN transistors, RF power MOSFETs, RF Silicon &amp; GaAs Diodes, RF SAW &amp; Discrete Filters, RF Modules &amp; Assemblies, Prescalers &amp; Control Products, MMIC Amplifiers, Linear IC's, Quartz and Atomic Timing Products.</p>	<p><a href="#">Microchip website</a></p>
	<p>Passive Components: Attenuators, Couplers, Power Dividers, Filters, Terminations, Isolators, Circulators. Active Components: Amplifiers, Converter Modules, Fiber Optic Links, Frequency Oscillators, Frequency Synthesizers, Mixers, Modulators, Multipliers, PIN Diode Attenuators, PIN Diode Switches.</p>	<p><a href="#">Narda Miteq website</a></p>

Noise Diodes, BITE Modules, DIP Modules, Calibrated Noise Sources, Broadband Calibrated Noise Sources, Millimeter Waveguide Noise Sources, Amplified Noise Sources, Manual Instruments, Programmable Instruments, CNG Instruments.

Noisewave website

High-Q/Low ESR Capacitors, Broadband Capacitors, Single Layer Capacitors, Resistor Products, Trimmers and Inductors.

PPI website

RF Connectors and Cable Assemblies, DC to 67 GHz EM Switches, Multipin Aerospace Connectors, Optical Connectors and Cable Assemblies, Active Optics, Antenna Solutions, RF Microwave Components.

Radiall website

RF Components, Amplifiers, Coax Attenuators, Pin Diode Attenuators, Circulators & Isolators, Filters & Diplexers, Phase Shifters, Power Dividers, EM Switches, Pin Diode Switches.

RF-Lambda website

Coax and Waveguide RF & Microwave Filters, Multiplexers. Tubular filters, Ceramic, Cavity, LPF, BPF, Notch filters.

Reactel website

RF Signal Generators, Microwave Signal Generators, Frequency Synthesisers, Phase Noise Analysers, Up/Down Converters.

Signal Core website

Inmet Brand Bias Tees, DC Blocks, Gain Equalizers, Terminations, Attenuators, Power Dividers. Weinschel Brand Butler Matrices, Programable Attenuators, Manual Step Attenuators, Splitters.

Spectrum Control website

RF Coaxial Connectors and Adapters, RF Multipin Connectors, Cable Assemblies, Calibration Kits, Waveguide to Coax Adapters, Custom Solutions.

Spectrum website

RF and Microwave Connectors to 110 GHz, In Series and Inter Series Coax Adapters.

SGMCwebsite

Resistive Board Level Components - Fixed and Temperature Variable Attenuators, Resistors and Terminations, Equalisers, Signal Distribution Components, RF Cable Assembly Solutions.

Smiths Interconnect website

Rectangular, Circular and Double-Ridged Waveguide Components Assemblies & Subsystems. Ferrite Based Circulators & Isolators. Adapters, Attenuators, Couplers, Filters, Magic-Tees, Pressure Windows and Inlets, Terminations, Transitions, Variable Phase Shifters, Calibration Kits.

SMC website

Dielectric and Coaxial Resonators, Inductors, Filters, Isolators and Circulators, Ferrite and Magnetic Materials, Advanced Materials.
